MUYLLE-FACON
A PASSION FOR WOOD TREATMENT SINCE 1962

Muylle Facon was founded in 1906 as a manufacturer of high-quality putty and is now an important producer of waterproof products, coatings and sealers, impermeable and impervious to water, and other specialties for buildings.

Its first range of wood treatment products was launched in 1962:

Teintécire: Waterbased colorstain with warm colors, which provides a nice gloss and antique look.

Ciraneuf: Liquid or solid beeswax, turpentine based.

Boizaneuf: Paint remover.

The close collaboration between the laboratory, the sales-team and the applicators has resulted in the development of the unique Rubio[®] Monocoat range.
